WIN101-YS28 SERIES

Technical Parameter

Display system	Display	10.1 inch LED
	Display size	10.1"
	Resolution	1280X800
	Brightness	300 cd/m ²
Host system	System	Android 4.4.4/7.1.2
	Processor	Quad-core,1.2GHz
	Memory RAM	Standard 1GB
	Memory Flash	Standard 8GB EMMC
	Network card	RJ45 + wireless WIFI, Bluetooth
Features	Scan code system	Standard GB scan code reader
	RFID	High frequency NFC, 14443A, -UART (default), low frequency 125K, ultra high frequency
	Microphone	Built-in microphone
	Front HD camera	1 million pixels
Internal expansion interface	USB Port	4pin 2.0mm*4
	TTL Serial port	4pin 2.54*3
	GPIO port	I/O*4、 3.3V DC*1
External interface	USB port	USB host*1、 USB OTG*1
	TF card slot	Scalable storage
	Headphone	3.5mm 4 picks
	HDMI	HDMI2.0 up to 4K @ 60HZ output

Vertical

Desktop

	RJ45	1,10M / 100M adaptive Ethernet
	POE power supply	Need to install power supply module (optional)
	DC-in	DC 12V , 5.5mm
Optional	POE power supply	Install power supply module
	Base bracket	Desktop,Wall-mounted,vertical
	RFID	Low frequency 125K, high frequency NFC, 14443A, 13.56, UHF (choose one of 3)
	vivoPAY	Can support global credit card payment, flash payment, scan code payment
	Front HD camera	1 million pixels (optional)
	Back cover	Metal,plastic(optional)
Physical properties	Size	266* 228 * 44mm
	Weight	1.72kg

Wall-mounted
